Professional Summary

Adobe Creative Cloud expert with 15+ years of experience blending hands-on graphic design with a strong command of modern AI tools to accelerate creative workflows and scale production. I specialize in owning and elevating visual identity across both digital and print marketing channels, from comprehensive brand systems and digital campaigns to high-end physical collaterals. Currently operating at Ernst & Young, I leverage cutting-edge AI tools and scalable design systems to boost design velocity, ensure pixel-perfect craftsmanship, and deliver high-impact cross-media experiences for global clients.

Core Competencies & Technical Skills

Visual & Brand Design: Adobe Creative Cloud (Photoshop, Illustrator, InDesign), Figma, Visual Identity, Brand Systems, Pixel-Perfect Layouts.

Digital & Print Marketing: Pre-press production, packaging, large-format printing, digital campaigns, social media assets, omnichannel marketing collaterals.

AI & Efficiency: Custom AI Agent Development (Copilot & Replit), AI-Augmented Workflows, Production Scaling, Creative Velocity.

Multimedia & Web: Video Editing, Adobe Premiere Pro, After Effects, Pitch Decks, SharePoint Online (O365) Architecture, HTML5, CSS3.

Professional Experience

Associate Design Manager | 06/2017 – Present

- Lead high-impact graphic design, visual branding, and design systems across enterprise platforms, directly aligning visual craft with business KPIs.
- Pioneer AI-augmented workflows and custom agent prototyping in Copilot and Replit environments, significantly accelerating creative velocity and asset delivery.
- Partner with global EY leadership as a strategic advisor, translating complex business requirements into high-impact brand solutions and executive presentations.
- Architect scalable design systems and interactive marketing assets, ensuring absolute brand consistency across web, mobile, and print touchpoints.
- Serve as a core EY Brand Ambassador, leading high-end print media production (reports, brochures, event collaterals) and digital accessibility (WCAG compliance) initiatives while mentoring design teams.
- Consistently recognized for leadership and contribution to EY's growth, earning achiever extraordinaire awards in 2025 and 2026.

WNS Global Services Pvt. Ltd. | Gurgaon, India

Deputy Manager | 06/2014 – 06/2017

- Served as strategic design lead for a major UK retail brand, overseeing end-to-end visual e-commerce experiences, product packaging, and nationwide digital campaigns.
- Spearheaded omnichannel visual initiatives, designing smartscreen video animations, interactive microsites, and high-converting in-store point-of-sale print displays.
- Architected executive pitch decks, corporate presentations, and product promotional videos that connected creative storytelling with core business goals.
- Managed multi-platform content lifecycles and operations, ensuring flawless brand consistency across web, high-volume print, video, and social channels.

Orient Electricals | Noida, India

Executive Graphic Designer | 08/2013 – 06/2014

- Executed comprehensive graphic design projects with a heavy focus on brand building, digital marketing assets, and physical product marketing collaterals.
- Ensured all design files, print materials, and packaging layouts were perfectly optimized for pre-press (CMYK, bleed, crop marks) and met strict corporate guidelines prior to final production.

Havells India LTD | Noida, India

Senior Graphic Designer | 02/2012 – 08/2013

- Managed brand visualization for Domestic Appliances and Fans, handling all high-impact print-related initiatives from initial concept through to final physical output.
- Designed high-quality digital and print collaterals including packaging, retail hoardings, posters, and corporate brochures using the Adobe Creative Cloud suite.

- Coordinated closely with internal marketing teams and external print vendors on the production floor to ensure strict color accuracy, material specifications, and flawless final dispatch.

Spice Labs | Noida, India

Creative Graphic Designer | 12/2010 – 02/2012

- Produced a high volume of enterprise-ready digital marketing assets and physical print collaterals in the fast-paced mobile sector.
- Leveraged Photoshop, Illustrator, and InDesign to deliver production-ready designs for roadshows, promotional posters, and large-format standees, ensuring premium brand representation..
